The State of New Hampshire
TOWN WARRANT

THE POLLS WILL BE OPEN FROM 9 A.M. to 6 P.M.

To the Inhabitants of the Town of Barnstead, N.H. in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at THE TOWN HALL in said BARNSTEAD on Tuesday, the 2nd. day of March, next a 9 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.
4. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as off-sets against budgeted appropriations for the following purposes and in the amounts indicated or take any other action hereon.
5. To see if the Town will vote to draw the sum of \$5,000. from the amount now held by the Selectmen, consisting of the Town of Barnstead's share of Federal Revenue Sharing Funds and authorize said Selectmen to issue checks in equal amounts of \$2,500. to both the Center Barnstead Fire Department and the Barnstead Parade Fire Department. This appropriation to be used by each of the aforementioned fire departments under the direction of

their governing bodies for the purchase and/or replacement of fire equipment and that the departments deem necessary to bring their standards up to those required for the safe and efficient protection of lives and property in the Town of Barnstead.

6. To see if the Town will vote to increase the annual appropriation for the Center Barnstead Fire Department and the Barnstead Parade Fire Department from the present \$1,500. per department to an annual sum of \$2,500. for each department.

7. To see if the Town will vote to raise and appropriate the sum of \$5,000. as a Capital Reserve Fund earmarked as: "Bridge Account for Highway Department". This will be utilized with computed share set forth by the State of New Hampshire under the Statutes relating to Bridge Construction, and/or repair in the Town of Barnstead.

8. To see if the Town will vote to authorize the Selectmen to appoint a Study Committee of five taxpayers, and being legal voters of the Town of Barnstead, to obtain facts and figures from other highway town departments pertaining to the operation of Town owned trucks used for highway maintenance. The committee will present this information to the Board of Selectmen, and Budget Committee prior to the 1976 Budget Meeting.

9. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used for Bank Concerts in the Town of Barnstead during the Summer season of 1976, or any action hereto.

10. To see if the Town will vote to authorize the Selectmen to engage in a contract with the Planning Maps, Inc., of 35 Main Street, Newport, New Hampshire, and vote to raise and appropriate the sum of \$29,403. for the purpose of securing a Tax Map for the Town of Barnstead. The sum of \$29,403. represents the total expenditure for the complete contract of three years work, however the sum of \$7,350.75 is required to bind the contract and the

remaining amount is to be raised in equal amounts at the annual Town Meeting for the following three years.

11. To see if the Town will vote to draw the sum of \$3,400.00 from the amount now held by the Selectmen, consisting of the Town of Barnstead's share of Federal Revenue Sharing Funds and authorize the Selectmen to purchase a new police cruiser to be used for the safe and efficient protection of lives and property in the Town of Barnstead.

12. To see if the Town will vote to authorize the Selectmen to convey the parcel of property acquired by Tax Collector's Deed, and formerly known as the George and Leah Higgins property located at Birchwood Highway in Barnstead, to Mr. George Higgins. This property may be conveyed for back taxes and all incumbrances due the Town and Tax Collector, or conveyed to Mr. Higgins at Fair Market Value, or any action taken thereto.

13. To see if the Town will ratify and authorize the auction sale of the Doris Martin Property, so-called, held on August 16, 1975, at which sale Roland Bennett was the highest bidder, since the Selectmen accepted Mr. Bennett's bid and check, and since in reliance of the sale, Mr. Bennett has expended his own time and funds on improvement to the property; and to direct the Selectmen to execute a Quitclaim Deed to Mr. Bennett immediately upon payment of the sum of Three Thousand Five Hundred Fifty (\$3,550.00) Dollars. By Petition

14. (1) To see if the Town will vote to give authorization to the Board of Selectmen of the Town of Barnstead, New Hampshire to sell the parcel of Town property formerly known as the Doris Martin, or/and the Louis Legasse property to Mr. William Herr or Center Barnstead.

The sale of this parcel of Town property to Mr. William Herr would alleviate the possible action of litigation relating to the property lines which are in question and under survey by Mr. Herr.

The sale of this property to Mr. Herr would alleviate the potential FIRE HAZARD now existing, as Mr. Herr intends to renovate this property and restore it to some of the former esthetic lines in harmony with adjacent properties, or remove the structure entirely and landscape the ground in a manner to reflect beauty to the area.

(2) If the above named action is not voted in the affirmative, we the undersigned Petitioners request that the Town vote to give authorization to the Board of Selectmen to sell this property at a Public Auction to the Highest Bidder, after the property has been duly advertised in three Public Places in the Town of Barnstead, and has appeared in the Suncook Valley Sun, weekly paper for three weeks of consecutive publication. By Petition.

15. To see if the Town of Barnstead shall conform with the provisions of Chapter 228 of the 1975 laws of the State of New Hampshire to adopt the alternative method as outlined therein of electing the members of the Planning Board of the Town of Barnstead. By Petition.

16. To see if the Town will vote to convey and transfer to the Locke Lake Colony Association every right, title and interest which it may have in the following roads, situated in Locke Lake Colony, in the Town of Barnstead, Belknap County, New Hampshire and previously deeded to the Town by the Locke Development Corporation as duly registered and described in Book #643 and Pages 90-96. The documented names, with measurements of these roads, as follows, will be read into the minutes of this Town meeting records.

Name	Section	Length
Windsor Way	Section I	3,701.96 feet +-
Danbury Road	Section II	1,533.26 feet +-

Rangeway Road (Westerly)	Section III	460.03 feet +
Rogers Road	Section IV & IX	1,884.53 feet +
Winchester Drive	Section IV	1,428.89 feet +
North Shore Drive	Section IV & IX	2,979.09 feet +
Tamworth Trail	Section VI	2,263.60 feet +
Meredith Lane	Section VI	2,438.98 feet +
Georgetown Drive	Section VII	4,635.59 feet +
Brindle Pond Road	Section IX	2,299.88 feet +
Win-wood Drive	Section X	6,101.72 feet +
Dow Lane	Section X	1,038.09 feet +
Rangeway Road (Easterly)	Section III	460.03 feet +

17. To see if the Town will vote to make the Brewster Road, so-called or the Narrows Road, a Scenic Road from Tothill's (Brewster Homestead) to the Narrows Bridge. By Petition.

18. To see if the Town will vote to name the road extending from a point of Route 28 and connecting to the point of the White Oaks Road through the Lakeland Development (so-called) LAKESHORE DRIVE, and have a marker stating the name. By Petition.

19. To see if the Town will vote to instruct Representative Warren Leary, of Alton, New Hampshire, our Representative to the General Court; to initiate the proper action of drafting changes to the Chapter 73:5. Later Taxation. To read in affect: Whenever a person, firm or corporation after April 1, and before January first, brings into any Town, City or unincorporated place a Mobile Trailer Home, Modular Home, Pre-fabricated, or Pre-cut Home, or any so named unit to be used for a home, shall be assessed on a Pro-Rata Basis with the Selectmen applying the tax formula used on all other taxable property in the said Town, City, or unincorporated place, unless valid receipt gives evidence of a tax being paid elsewhere prior to locating

in Town, City, or unincorporated place.

20. To see if the Town will vote to accept the sum of \$100.00 dollars from Fred O. Varney and Nettie M. Sayward; the income from said sum to be used for the perpetual care of Lot #17 in Riverview Cemetery, Barnstead, N.H.

21. To see if Town will vote to accept the sum of \$200.00 dollars from Mrs. Edmund Desmulier; the income from said sum to be used for the perpetual care of Lot #106A, Brookside Avenue, Riverview Cemetery, Barnstead, N.H.

22. To see if the Town will vote to accept the sum of \$200.00 dollars from Mr.s Bertha Holmes; the income to be used for the perpetual care of Lot #111, Brookside Avenue, in the Riverview Cemetery, Barnstead, N.H. and to be known as the Smith-Holmes Lot.

23. To see if the Town will vote to accept the sum of \$200.00 dollars from Merle Hillsgrove; the income from said sum to be used for the perpetual care of Lot of Walter J. Hillsgrove in the Riverview Cemetery, Barnstead, N.H.

24. To see if the Town will vote to withdraw the sum of \$2,150.00 from the amount now being held by the Selectmen, consisting of the Town of Barnstead's share of the Federal Revenue Sharing Funds, and to Authorize the Selectmen to issue a check in the amount of \$2,150.00 for the purchase of new equipment for the Highway Department.

1. New Air Compressor	400.00
2. New Snow Plow	\$1,750.00
Total	\$2,150.00

25. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept aid from the Federal Government for assistance in the event of a disaster occurring in the Town of Barnstead and being declared eligible for such assistance by the State

Coordinating Office for Disasters.

26. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 2nd day of February, in the year of our Lord nineteen hundred and Seventy Six (1976)

William A. Gosse
Paul A. Golden
John G. Cotton

Selectmen of Barnstead, N.H.

A true copy of Warrant—Attest:

WESLEY LAVIN,
Treasurer

REPORT OF THE LIBRARIANS

It is the duty of the local librarian to report to the townspeople on the use, growth, and predictable future of the library under her supervision. This is a pleasant task when the year has shown progress in the way of increased use of library resources. 1975 was such a year in Barnstead. Circulation reached a new high – it increased more than 25% over 1974. Since the forming of a library in the Elementary School, the public library has had to re-evaluate its primary function and change from being student-oriented to an adult-oriented facility. This has been accomplished in three short years. We still strive here to supplement the school library's material while building resources for the adult reader.

Even with book prices badly inflated, we purchased over 300 books last year at an average cost per book of around \$4.00, by keeping an eagle eye on sales and taking advantage of the best possible methods of buying. Our book stock now totals 6,100 volumes after adding 450 books by purchase and by gift.

The librarians continue to keep abreast of trends and activities in library life by attending area discussion groups, Central Advisory Council meetings and workshops sponsored by the State Library.

Children's Book Week was observed with an Art Contest for school children. Winners and their parents were entertained at a party when prizes were awarded. The Summer activities of 1974 were stimulating and productive, as usual. Over 100 youngsters gathered for the Story and Film Hours on Wednesday afternoons. Several older readers participated in the Reading Program designed to keep the child reading in an un-competitive program.

In this Bicentennial year, emphasis will be on our history and heritage. We plan to increase our holdings in this area and make our collection of History books more complete. In 1977, the year of our town's 250th anniversary celebration, the Oscar Foss Memorial Building will become 60 years old.

This milestone will be appropriately marked.

As we hear the shocking statistics of non-reading students and adults, we realize more strongly than ever that the public library has a vital function in the community – resources for readers at all levels, interested advisors to find the desired material, a quiet place to browse and read. This library is very much involved in the Right to Read emphasis and will continue to be.

In February of 1974, our library was recognized as a member of the Statewide Library Development Program meeting minimum qualifications of the State Library Commission. We are proud to be one of the public libraries qualified to display a Certificate of Merit.

The Town of Barnstead spent \$2,500 a few years ago to provide a comfortable basement Community Room in the Foss Memorial Building. The lack of an outside exit makes the room unsuitable for all but the smallest gathering. We are looking into the possibility of constructing such an exit so that townspeople will realize the full value of the dollars already spent.

We invite you to visit your library. Come to borrow material for fun or for education. Come just to become acquainted. We welcome you all. We are grateful for the continuing support of the Board of Trustees. We are grateful to those people who think of the library and generously donate books and periodicals. Our books, accounts, policies, in fact, all our activities are open to the scrutiny of anyone truly interested.

We thank you for your support and your patronage.

Respectfully submitted.

ELLEN M. GRAU, Librarian

CAROLYN D. JOHNSON, Assistant

BARNSTEAD POLICE DEPARTMENT

During the year 1975, Barnstead Police Department received 3,346 telephone calls in addition to 9,331 radio calls, requiring response or action on the part of one or more officers of the department. In the course of handling these individual cases there were 32,496 motor vehicle miles traveled, and 3,653 man-hours expended, with 5,110 hours on call. The above figures show a 284% increase in Police calls. The following is a breakdown of the incidents reported and the action taken:

Criminal Arrests	84	Court Cases Including M/v	123

REPORT OF FOREST FIRE WARDEN

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

REPORT OF THE CONSERVATION COMMISSION

The year 1975 finally brought to completion the first major project of the Barnstead Conservation Commission. The Town having authorized the purchase of the Eastman property on Upper Suncook Pond enabled us to contract access to and open up a national beach area for the use of all the people of Barnstead.

Sanitary facilities have been provided a number of picnic tables purchased for use in the immediate beach area. Further development of the property is not contemplated, so that the greatest part of this beautiful area will remain in its national state forever.

It was highly gratifying to see the numbers of people who took advantage of this, our first public beach in Barnstead.

The Conservation Commission would like to again express their appreciation to the many public spirited citizens who gave of their time this past year to make this project the success it is.

The Conservation Commission is again entering a wetlands conservation article on a town ballot. We would like to again emphasize that this article will not restrict people from uses appropriate to wetlands.

The primary reason for our existence as a Conservation Commission is the protection of those areas in our town which contain our greatest natural resource, namely water.

We again want to express our appreciation to the people of Barnstead for the confidence and cooperation you have given us.

STATE REPRESENTATIVE'S REPORT

This legislative term so far has been the busiest of all my legislative years. In January, I was elected Speaker of the House by my fellow legislators. The last time the Speaker of the House came from Gilmanton, was in 1837, Mr. Ira A. Eastman. Along with that honor, came many responsibilities of administrating the 400 member House of Representatives.

All in all, it has been a productive year for the New Hampshire Legislature and the State in general as we have taken many major steps in improving the operation of our legislature and I am pleased to have had the opportunity to be part of this progress. I feel that the people of the State will be benefited by our internal changes.

During the 1975 session, I sponsored a number of bills dealing with a variety of important subjects, facing our community and our state.

Two bills that were passed into law of particular interest to our district: House Bill 376 was authorized the State of New Hampshire, through the Water Resources to acquire Shell Camp Pond Dam in Gilmanton and appropriates \$42,000 for the construction of a new dam. This was accomplished without draining the general fund by the appropriation from the special boat fund, from which power boat owners pay for the administration and maintenance of state dams on public waters. It is my hope that construction can start late next summer or early fall. The request for the construction of this dam had strong support from the landowners around the pond as well as many people within the community. I wish to take this opportunity to thank them for their support through the legislative process. When the construction of the dam is complete it will stablize the level of the water and provide for safer boating.

Another related bill that became law in the 1975 session, was one that recognized that noise polution threatened some of our smaller lakes and ponds within our district as well as the potential damage from oil slicks from certain types of boats. House Bill 826 limited the use of petroleum powered

motor boats with more than five horsepower on Lougee Pond in Barnstead. Lougee Pond's forty-five acres surrounded by a mile of undeveloped shoreline is just the type of pond that we would like to preserve for the enjoyment of fishing and canoeing enthusiasts. This Bill was introduced with the cooperation of the members of the Conservation Commission and had strong support by the Barnstead residents.

As always, not all legislation introduced passes. I am sorry to say one of my bills, which would help prevent the increased growth of algae on our lakes and ponds, was not passed due to the lack of necessary funds. I feel so strongly about the prevention of pollution in our bodies of water throughout the state, that hopefully I will be able to try again to institute a strong program of pollution control throughout the state using the latest engineering and chemical techniques to prevent pollution.

There are many other bills which are now law that affect the entire state of New Hampshire as well as this district. Many which I think will help to make a better way of life in New Hampshire.

In all, there were 1374 bills filed during the regular session of the New Hampshire General Court, which makes it impossible to report on all that occurred in this written report. For this reason, I am grateful for the many opportunities to speak before civic and private organizations within the district as well as students in our elementary and high schools to explain the operation of the legislature and what its decisions have been. I see this as an important part, both in our school system, and a function of the office I was elected to and look forward to continuing this reporting method as well as articles in local newspapers.

STATE FUNDS

While much of state funding is intertwined with local and federal government it makes it almost impossible to sort out the effect of the state budget. However, through the New Hampshire sweepstakes program which was established in 1964, more than \$25,000 was returned to our district

schools. During the fiscal year of 1975, the Alton School District received \$10,266.28, Barnstead \$8,566.68 and Gilmanton \$6,791.05. While this might represent a small percentage of total costs for educational expenses. It is a good approach to allow the local government to decide how they want to spend certain state funds.

Other funds are restricted by their use such as the highway funds which are returned to this district by the expenditure of certain construction. As a direct result of constituent concern and suggestions, I am pleased to report the following highway projects within the district for FY 1975 and those proposed. In Alton — a one mile betterment project, the Alton-Gilford town line, \$50,000 in state funds. In Barnstead — Route 28 repairs to bridge at Garland Road, due to damage by accident, \$30,000. Proposed construction Route 28 Pittsfield-Barnstead, reconstruction from end of Pittsfield Bypass north 1½ miles to prior Barnstead betterment project. Proposed to begin in 1979 — \$1,000,000. In Gilmanton — Route 107, Gilmanton-Belmont, upgrading 25 foot pavement and shoulders for 1.6 miles \$250,000. Route 107, Gilmanton, betterment project to improve alignment, drainage, base and surface on Munsey Hill, South end. One-half mile \$25,000. Route 107 in Gilmanton, surface repair 1.71 miles from Loudon town line to Belmont town line \$15,000.

This list does not include many minor projects within the district as requested by your Representative as a result of a constituent request.

The job of State Representative is varied and not just law-making, but includes responding to the various requests and suggestions made by my constituents. I am happy to report that many of the people from this district visited the New Hampshire Legislature and the Speaker's Office and attended many committee hearings as well as making telephone contacts asking for my support for a particular bill or position. This is the kind of citizen involvement that helped pass several pieces of legislation directly affecting our district.

With this in mind, I will continue to be available to all town officials and town agencies to explain new legislation or to act as a liaison between town and state agencies on problems that affect our towns, within the district. Your suggestions or opinions, whether they come from town officials or private citizens, are always helpful to those in elected office. Your interests and opinions are necessary if we are to effectively represent you and I look forward to the continuing exchange of ideas that is necessary.

Because of my many official and business activities, you would find it best to contact me by calling my home in the evenings and on weekends at 267-8151 or during the week at 271-3661. For those who do not live in the toll free district of Concord, use 1-800-562-6236. Every effort will be made to respond to your telephone request.

Respectfully submitted,
GEORGE B. ROBERTS, JR.

REPORT OF THE ANNUAL SCHOOL DISTRICT MEETING BARNSTEAD, NEW HAMPSHIRE

March 1, 1975

The Annual School District Meeting was held in the Barnstead Elementary School Auditorium on March 1, 1975. The meeting was called to order by Moderator Richard Golden at 1:30 p.m. The Moderator announced there would be no smoking in the auditorium, but would be allowed in the hallway.

The Moderator then read the Warrants and the Certifications of the Warrants being posted. The Moderator announced that balloting for School District Officers would be held on March 4th, 1975 at the Town Hall.

ARTICLE I: To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.

Lloyd Hanson made the following motion: "I move the salaries of the School District Officers be approved as follows: Moderator \$10.00, School Board Chairman \$75.00, School Board Members \$75.00 each, Treasurer \$100.00, Auditor \$25.00 and Truant Officer \$10.00." The motion was seconded by Gordon Smith and carried by voice vote.

ARTICLE II: To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

Richard Collins made the following motion: "I move that the reports of Agents, Auditors, and Committees of the School District be accepted as printed in the Annual Report." The Moderator asked if there were any oral reports to be given at this time. There was no response to his question, so Mr. Collins' motion was seconded by B. Collins and the motion was carried by a voice vote.

ARTICLE III: To see if the District will authorize the School Board to re-appoint a five member study committee

to study the educational and facility needs for the District and report these findings and recommendations to the School Board no later than January 1, 1976, as well as at the next Annual School District Meeting.”

William Jenish made the following motion: “I move that the School Board be authorized to re-appoint a five member study committee to study the educational and facility needs for the district, and report their findings and recommendations to the School Board no later than January 1, 1976, as well as at the next Annual School District Meeting.” Robert Simpson asked of the School Board if January 1, 1976 was too late to do any work on this before School District Meeting. Mr. Jenisch answered it was not. Motion seconded by Richard Check and carried by voice vote.

ARTICLE IV: To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to implement the following programs for the School year 1975-76:

- A. Physical Education Teacher for Three (3) days per week.
- B. Art Teacher for Two (2) days per week.
- C. Music Teacher for Two (2) days per week.
- D. Guidance Teacher for one (1) day per week.
- E. Reading Specialist for Five (5) half days per week.

The above five programs are recommended by the school study committee and will bring the Barnstead School up to minimum standards. The above expenditures to be allocated and disbursed at the direction of the School Board or its designate. (Submitted by Petition—recommended by Budget Committee.)

Motion made by Robert Simpson and seconded by Michael Pszonowsky to accept Article IV as read. Moderator given a petition signed by 5 voters that Article IV be acted upon by secret ballot. There was much discussion on this article and many questions. Pat Tiel, Ernst Tiede, Eugene Wells, Bruce Caldwell questioned whether the School Board planned to

implement all of the programs or selected ones from the list, and wanted to know exactly what the money was to be used for. Mrs. Johnson suggested obtaining the feeling of the people as to what area they wished the money spent first. Robert Simpson asked if more space was needed to carry on the program and the answer given by William Jenisch was "no." William Gosse asked how many students were being helped presently under the volunteer program. Nancy Haney stated in her teaching experience, she felt these types of specialists had proven their worth. Fred Jenisch asked if we could afford the \$10,000.00. Ronald Gauthier asked if we could afford not to spend this amount. Paul Golden moved that debate end. This was seconded by Richard Collins. Motion carried there be no more debate on this article.

Article IV ballot vote—total votes cast:125 Yes 37, —No 87, 1 bland. Motion not carried.

ARTICLE V: To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

Motion made by William Jenisch as follows: "I move that the District raise and appropriate \$368,344.00 for the support of schools, for the salaries of School District officials and agents and for the payment of statutory obligations of the District." Seconded by Richard Collins. Motion by William Gosse and seconded by Richard Collins to take the Budget item by item. Carried by voice vote.

Administration

Contracted Services	525.00
---------------------	--------

Motion to accept by Lloyd Hanson, seconded by John Cotton, Motion carried by voice vote.

Other Expenses	75.00
----------------	-------

Motion to accept by William Gosse, second by Richard Collins, Motion carried by voice vote.

Instruction	
Salaries	111,940.00
Motion to accept by R. Simpson, second by G. Smith. Motion carried by voice vote. At the request of Arthur Gosse, a discussion of salaries and increments was held. Arthur Gosse felt the \$500 raise for the principal was unwarranted.	
Textbooks:	3,730.00
Motion by Ernst Tiede to accept, second by R. Collins. Motion carried by voice vote.	
Library & Audiovisual Materials	2,693.00
Motion by R. Simpson to accept, second by Richard Check. Motion carried by voice vote.	
Teaching Supplies	7,049.00
Motion by Michael Pszonowsky to accept, second by John Lichty, motion carried by voice vote.	
Contracted Services	1,266.00
Motion to accept by G. Smith, second by Richard Check. Motion carried by voice vote.	
Other Expenses	1,405.00
Motion to accept by E. Tiede, second by R. Collins. Motion carried by voice vote.	
Attendance Services	10.00
Motion to accept by Leonard Tasker, second by A. Gosse. Motion carried by voice vote.	
Health Services	3,555.00
Motion to accept by L. Hanson, second by E. Tiede. Motion carried by voice vote.	

Pupil Transportation 46,250.00

Motion by L. Hanson to accept,
second by W. Jenisch.

Much discussion followed. Paul Golden asked if other bids were submitted. School Board Members explained they advertised for bids and on the closing date to accept bids only one had been received. During the budget hearing it was felt the price per mile was too much. Upon review of the specifications it was found an error had been made. The bids were re-written and submitted to Mr. Marston, Jan-Car Leasing and William Stevens. Harvey Marston then contacted the school board inquiring regarding terms of the contract, etc. Following this, Jan-Car Leasing submitted a bid. William Stevens also inquired about the terms of the contract and decided to withdraw. E. Tiede asked if the contract bid of Mr. Marston had already been signed by the School Board. Mr. Jenisch answered "no." Several people inquired whether Mr. Marston should have more than the 100/300,000 insurance coverage which he carries. Mr. Jenisch said the Board would look into this area so that more insurance coverage would be obtained.

Warren Riley presented a petition to the Moderator as follows: "We the undersigned legal voters of the Town of Barnstead, do hereby petition the Moderator that in the event that the pupil transportation contract is decided by the people, that the vote be by secret ballot." The moderator ruled that according to law, the meeting has no power over the school board to decide the best contract bid. Mr. Riley, representing Jan-Car Leasing spoke at great length on comparison of bids. William Gosse made a motion to end debate, which was seconded by Wesley Lavin. Motion carried to end debate. Dorothy Jaques asked for the vote to be by show of hands. Vote to accept amount of \$46,250: 76 yes; 0 no.

Operation of Plant—Salaries 9,551.00

Motion by David Gregoire to accept,

seconded by G. Smith. Motion carried
by voice vote.

Motion by William Gosse to accept the following:

Supplies	2,500.00
Contracted Services	850.00
Heat	7,700.00
Utilities	4,700.00

Motion seconded by Arthur Gosse.

Motion carried by voice vote.

Maintenance of Plant	3,300.00
----------------------	----------

Motion by L. Hanson, seconded by R. Collins
to accept this figure. Motion carried by
voice vote.

Fixed Charges

Employee Retirement & FICA	8,905.00
Insurance	3,560.00

Motion made by Wm. Gosse and seconded by
L. Hanson to accept these two items.

Motion carried by voice vote.

School Lunch and Special Milk Program	6,400.00
---------------------------------------	----------

Motion by W. Gosse and seconded by R. Collins
to accept this. Motion carried by voice vote.

Student Body Activities	400.00
-------------------------	--------

Motion to accept by L. Hanson, second by R.
Collins. Motion carried by voice vote.

Capital Outlay

Equipment	1,245.00
-----------	----------

Debt Service

Principal of debt	15,000.00
Interest on debt	11,205.00

Outgoing Transfer Accounts in State

Tuition	96,150.00
---------	-----------

Supervisory Union Expenses	8,080.00
Expenditures to Other Than Public Schools	2,000.00
Other Expenses	6,300.00
Contingency Fund	2,000.00

Motion by William Gosse to accept the items Capital Outlay through Contingency Fund. Seconded by R. Collins. Question asked regarding Equipment. School Board stated some of this money would be used to put up a fence so that during sports programs, the fence would keep the ball out of the road. Motion to accept these items carried by voice vote.

Mr. Jenisch's motion to raise and appropriate the sum of \$368,344 was carried by voice vote.

Motion by Gary Ezzo to accept Section II of the Budget, Revenues & Credits Available to Reduce School Taxes as follows:

Unencumbered Balance	2,000.00
Revenues from State Sources	
Sweepstakes	4,000.00
School Building Aid	4,500.00
Foster Children Aid	200.00
Revenues from Federal Sources	
School Lunch and Special Milk Program	4,800.00
Local Revenue Except Taxes	
Trust Fund Income	120.00

ARTICLE VI: To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereinafter be forthcoming from the United States Government, the State of New Hampshire, or any federal or state agency.

L. Hanson made the following motion: "I move that the District authorize the School Board to make application for and receive in the name of the District such advances,

grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any federal or state agency.” Seconded by E. Tiede. Motion carried by voice vote.

ARTICLE VII: To see if the District will vote to raise and appropriate a sum of \$2,000.00 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year.

Motion made by William Jenisch as follows: “I move that the District raise and appropriate a sum of \$2,000.00 to establish a contingency fund to meet the costs of unanticipated expenses that may arise during the year”. Motion carried.

ARTICLE VIII: To transact any other business which may legally come before this meeting.

The following motion in the form of a resolution was made by Robert Simpson and seconded by E. Tiede: We, the voters and residents of Barnstead, wish to express our appreciation to the school board, principal, teachers and staff for the outstanding work that they are doing for our children.

Motion to adjourn made by Lloyd Hanson, seconded by E. Tiede. Meeting adjourned by Moderator at 4:45 p.m.

Respectfully submitted,
MARGARET C. FOSS, Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Barnstead School District, I respectfully submit my tenth annual report as your Superintendent of Schools.

Emphasis this year in the Barnstead Elementary School are in the areas of reading and individualization as well as the overall expansion of the programs provided your youth. This report will identify the progress in each of these areas and also a brief reflection upon the last ten years.

Mrs. Latchaw, intermediate grade teacher, attended a special program for training as a director for the "Right-To-Read" program. The program, although having specific goals and objectives, is designed to create a renewed interest in reading, not only for information, but for pleasure. This is a process of involving people with students, teachers with students, students with students, and everyone with books. The resulting interest and involvement needs to spill beyond the classroom and the school. Do you, as an adult read books; do you read to your children; do you listen to your children read? These steps are basic in order to have the "Right-To-Read" program succeed.

Last year we proceeded in developing diagnostic skills in identifying individual needs of students. These evaluating processes have given the teacher a much better isolation of specific learning limitations. Now that the teacher has this greater insight into each child, she needs to develop programs best suited to the individual. This often requires teaching materials and methods which are different from those used when instructing a group of 25 students all at once. More varied materials need to be made available to the classroom teacher. It is common knowledge that all students do not learn the same way, nor at the same rate, thus we group those individual students with common needs and proceed with a specifically designed, individual program for those few students. If one approach does not succeed with some students then the teacher needs to have an alternative

approach available.

The study committee got off to a late start but was able to submit a preliminary report for the board to consider. The needs reflected in the full report of last years' committee still exist. If the elementary student in Barnstead is to receive a more equillible preparation for high school, then they should have the services of guidance at the elementary level, skills developed in art, music and physical education. The junior high school student lacks any exposure in the areas of industrial arts and home economics - so common in other schools throughout the State. As was indicated ten years ago in my report - "The present facilities are adequate for the first six grades, but there are limitations as to providing the junior high student with the experiences so necessary for success." This condition in spite of the addition of the multi-purpose room and four classrooms a few years ago, still exist. There is no space for industrial arts, home economics, and a special room designed for the teaching of science. The library space is also becoming over burdened with use by the students. In summary, I would suggest the study committee still has an important task in evaluating and identifying alternative solutions.

Several changes have occurred over the past ten years, the most visable is the expansion of the elementary school with four classrooms, kitchen and multi-purpose room. The staff has increased from seven to twelve, as the student population has increased from 156 to 263 students, and increase of over 68% in a ten year span. William Jenisch is the only school board member still serving the Barnstead School District. His knowledge of the community and dedication to the school has given a great deal of continuity to the board as well as a tremendous resource of information for other board members. I am thankful for his continued service. Improvements in the curriculum are less visable to the public. Emphasis on the individual student has brought about a more enthusiastic learning environment which cannot help but to benefit the student. More is being taught in a variety of approaches then even experienced

before. Over the past ten years, I believe the educational system in Barnstead has not only kept pace with the educational changes but has moved out in front in meeting the needs of individual students.

Every year I have expressed my sincere appreciation to all of the parents, citizens, staff, and especially the members of the School Board for their interest and support of your educational system. This expression of appreciation is most sincere on my part, especially as one reflects back on the improvements in facilities and curriculum made possible for the youth of Barnstead.

Respectfully submitted,
DAMON A. RUSSELL
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Barnstead School District, I respectfully submit my fourth annual report as Assistant Superintendent of Schools.

I have selected the following areas to report on: (1) Title I; (2) Recruiting; (3) Right-to-Read; (4) Re-scheduled time; and (5) School Study Committee.

I

This is the third year of a Title I Cooperative Early Childhood Project with the School Districts of Alton and Pittsfield. We have developed procedures (1) for the identification of individual student learning needs and (2) for the development of instructional programs to meet those needs. Two teaching assistants have been hired to implement the student programs that have been designed by Mrs. Judith Bush, Program Director, and the classroom teachers. Mrs. Bush organized a one week workshop on the developmental needs of children in August and four members of the Barnstead staff participated.

II

Three new teachers were hired as replacements for this year. In addition to these replacements, a part-time art teacher and two aides were hired with Manpower funds, as well as the two Title I assistants previously referred to. It is my opinion that the present Barnstead staff is a very capable and productive staff.

III

The School District became involved with the New Hampshire Right-to-Read Program this year. Right-to-Read is a national effort to eliminate illiteracy. It is a process that is designed to guide local schools and communities in their efforts to: (1) identify reading program needs through a formalized needs assessment; (2) identify program goals and objectives; (3) implement programs; and (4) evaluate

programs.

The Right-to-Read activities are being carried out by a Task Force under the direction of Mrs. Katherine Latchaw. Mrs. Latchaw participated in a one week leadership training session at the University of Rhode Island and numerous State and regional activities throughout the year.

IV

The principal and teachers of the Alton, Barnstead, and Pittsfield School Systems identified the need for common free time to carry on district in-service programs. After considering the alternatives, we developed a joint proposal for re-scheduled time for the three districts. The proposal called for one afternoon each month to be used for in-service activities in the following areas: (1) Career Education; (2) Metric System and Elementary Math; (3) Learning Disabilities and Diagnostic Testing; (4) Elementary Science; (5) Reading; and (6) Secondary School Accreditation.

We felt that by combining the faculties and resources of three small districts, a more varied and appropriate in-service program could be developed. Each School Board and the State Department of Education approved the plan. With the State Departments' approval, Barnstead joined 135 other schools in the State that use re-scheduled time for in-service activities.

V

A School Study Committee was appointed by the School Board to continue the work of the Committee chaired by Peter Yelle. The members of this committee are: Bruce Caldwell, Chairman; Marie Harris; Madlyn Smith; Peter James; and Clinton Whiting. The Committee is in the process of gathering information on the recommendations of the previous study committee and plans to concentrate its efforts on future building and classroom needs. More time is needed to complete this work and the committee has requested the School Board to retain the committee for an indefinite period of time.

It has been my pleasure to enjoy the support and cooperation of the Barnstead School Board, Principal Check, and the school faculty.

Respectfully submitted,
ELTON S. KNOWLES
Assistant Superintendent of Schools

PRINCIPAL'S ANNUAL REPORT

To the School Board, Superintendent of Schools and Fellow Citizens of Barnstead, I respectfully submit my 6th annual report as Principal of the Barnstead Elementary School.

The 1974-75 school year ended with the graduation of 23 eighth graders to the Pittsfield and Alton High Schools.

The 1975-76 school year is well under way and we are again fortunate in having almost our complete staff returning. Filling the few vacancies and new positions are John Quinley, Grade 1; Beverly Schriber, Grade 2-3; Robert Egan, 6th, 7th and 8th Grade Social Studies, and Marjorie Byers, Teacher Aide. Candace Chamberlain has been a member of the staff since midwinter of 1975, as a science teacher of grades 6, 7 and 8.

We are in the third year of a Title I Early Childhood Project. Due to increased federal funds, Marjorie Lank and Barbara Roberts have been hired as teacher assistants to work with teachers and their students who have learning disabilities in the first three grades. Both assistants went through extensive training and the program is developing nicely.

Through the assistance of the Manpower Program, three new people have been added to the school staff. Sandra Des Roches teaches Art to the entire school on Wednesdays and Thursdays. The remainder of the week she teaches Art in Pittsfield. Susan Meridith and Virginia Boelzner are teacher aides hired under the same program.

Once again, one classroom is involved in the Early Childhood Program at the University of New Hampshire. Mrs. Adams and Mr. Quinley share a first grade position and alternate teaching duties while the other attends classes at the University. Both are in a Master of Education Program. The program is progressing well with the students, staff and school being the beneficiaries. Mrs. Fatula completed the same program this past spring.

With the start of school our Health Services have been increased. Mrs. Helen Sweeney, School Nurse, is now with

us Monday through Thursday mornings. This increase in service has greatly improved the first aid treatment and has also allowed more time for her to communicate and assist parents and teachers of students with health problems.

The Barnstead Elementary School, along with other schools in Supervisory Union No. 49, is now a Right-to-Read Center. During the summer, Mrs. Kathy Latchaw attended the University of Rhode Island to be trained and is now our director. Through the efforts of the Right-to-Read, a renewed emphasis has been given reading. Since we have been a center for only a few months, we all look forward with great interest to improvements in the reading habits and capabilities of the student body and community.

With the opening of school, enrollment registered a new high of 263 students, but by the Christmas recess the figures have leveled off at 254. The grade breakdown is as follows; Gr. 1-35, Gr. 2-36, Gr. 3-28, Gr. 4-32, Gr. 5-34, Gr. 6-33, Gr. 7-32, and Gr. 8-24.

Our new Social Studies program was implemented in September after a comprehensive study by a committee of teachers. This school year, the math program is being studied as part of a continuing effort to provide the students with the most up-to-date and practical curriculum possible.

I wish to express my appreciation to the members of the School Board, the Superintendent, the Assistant Superintendent, the Citizens of Barnstead, my fellow teachers and staff members for their support and cooperation.

Respectfully submitted,
RICHARD A. CHECK
Principal
